2019  
Issue 5

**Our Vision is for...** all members of the school community to work together to develop happy, confident and enthusiastic children who thrive in a stimulating and exciting environment—an environment where there is mutual respect so that each child develops a lifelong love of learning.

## Happy New Year!

Welcome back to the Spring term. We are all excited about 2019 and have lots of exciting learning opportunities planned for the children in the coming months. Key stage 2 will be having a dance workshop in the summer led by 'Urban Strides' who featured at Young Voices last week, we have also arranged for year 6 to go swimming and lifesaving in the last half term of summer. Please check future newsletters and notifications for other future events!

### Parent volunteers

We would be most grateful of any parent volunteers who would like to come into school to listen to the younger children read, primarily in Key Stage 1. We won't put parents in the same class as their own child, and if you require a DBS check school will gladly sort this out for you. If you are interested and can spare some time please see Miss Langridge or Mrs Stewart.

The school PTA is calling for parent volunteers, and is looking for a chairperson and new members to join the fundraising team! The PTA is an integral part of the school community and work tirelessly to raise funds for equipment and experiences the children wouldn't otherwise be able to access. The money raised from events such as summer fayre, Christmas fayre & discos buys 'extras' not covered within the school budget, most recently we have purchased 14 new laptops. If you are interested in being a member please ask at the school office or pop along to the next meeting on 4th Feb, 5.30pm at school, thank you.

## THANKS

A huge thank you to Mrs Thorpe, who over the Christmas break took the mountain of lost property home, washed it and donated it to charity. This was a big help to us thank you. On that note could you please ensure **all** your children's clothing is clearly labelled with their name, so if it does get lost we can return it to the rightful owners!

### Year 4 Swimming

Just a reminder that swimming for the year 4's starts next Friday 25th January. Please make sure your child has their swimming kit and towel, goggles are optional. Thank you.

### Mornings

Please could we ask that parents do not come into school on a morning, especially in Key Stage 1 and lower Key stage 2, as the teachers are very often doing early bird teaching sessions or children are starting to get changed for PE. Short messages can be left with the ladies on the gate or alternatively you can e mail the class teacher to arrange a suitable time to meet. Your teachers emails are:
